

REMARKS

This Amendment is filed in response to the "Notice of Drawing Inconsistency with Specification" mailed September 28, 2006. Note, the Issue Fee was paid on August 7, 2006.

Figure 2

The Notice states that "Figure 2C...is contained in the Drawings but not listed in the Brief Description of the Drawings in the specification."

Figure 2 consists of A, B and C. The specification has been amended to indicate same.

Figure 5

The Notice states that "Figure 5C - 5J is listed in the Brief Description of the Drawings in the specification but not contained in the Drawings."

Figure 5 consists of only A and B. The specification has been amended to indicate same. The Notice incorrectly states that Figure 5 consists of A-J. Instead, Figure 5A has different types of markings which are labeled a, b, c, d, e, f, g, h, i and j.

Figure 8

The Notice states that "Figure 8C...is contained in the Drawings but not listed in the Brief Description of the Drawings in the specification."

Figure 8 consists of A, B and C. The specification has been amended to indicate same.

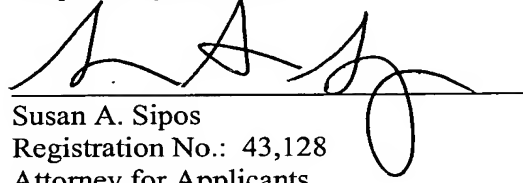

Figures 1, 3, 4, 7 and 9

Applicants have taken this opportunity to format the rest of the drawings with multiple parts for the sake of uniformity. In particular, applicants have broken up the description of Figure 1 into Figures 1A, 1B and 1C; the description of Figure 3 into Figures 3A, 3B and 3C; the description of Figure 4 into Figures 4A, 4B, 4C, 4D, 4E and 4F; the description of Figure 7 into Figures 7A and 7B; and the description of Figure 9 into Figures 9A, 9B and 9C.

No new matter has been added.

Applicants believe the application is now ready to issue. If any fee is required, the Office is authorized to deduct such fee from Deposit Account No. 08-2461.

Respectfully submitted,

Susan A. Sipos
